Mandatory

52106 Recessed fitting acessory

O/M recommends that any false ceilings intended for recessed products should be installed only after the products to be used have been chosen. The same applies when preparing openings for this type of product. O/M recommends reinforcing false ceilings close to any such openings, in accordance with the characteristics of the product to be recessed. The cutout dimensions are for plasterboard ceilings. For other type of material please contact: support@om-light.com
